MORE JOBS TO GO AT CARPET FACTORY?

AXMINSTER Carpets has announced that job losses will be part of a business restructure.

The company has not said how many will be affected, but those at risk are what the company calls support workers, including administration/office staff.

Staff members were informed on Thursday last week, and a press statement was issued the following day, saying: "Axminster Carpets has announced a reduction in the number of non-operational staff as part

by Anders Larsson

of the planned reshaping of its successful business.

"With an increased focus on production and service delivery, no job losses have been made from the central manufacturing team who continue to weave the world-famous carpets at Axminster."

Stronger for the future

Chairman Rob Day said: "This is never an easy decision.

"The restructuring of the business will make it

stronger for the future and is a necessary part of the strategy.

"Axminster Carpets have come a long way in the two years since re-launching.

"The business continues to grow and our order books reflect the hard work all the team have put in to return this iconic brand to profitability.

"Consultation is underway with the employees affected in an effort to identify redeployment opportunities within the business."

When asked to define non-operational staff, a spokesperson said: "These are members of our support teams.

"The employees Axminster Carpets is consulting with include some admin/office workers.

"As we are consulting with our employees in an effort to identify redeployment opportunities within the

TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

HONITON Council relocation: no more delays

BUSINESS leaders in Honiton have called for an end to the uncertainty over East Devon District Council's office relocation, with further delays now threatening to de-rail the project.

Councillors will meet to debate the matter again this week, after 15 newly-elected independents called for a six-month suspension of the scheme.

The latest developments have angered local businesses, who believe moving the district council's headquarters to Honiton will bring a major economic boost to the town centre.

They say now is the time to put the debate to bed and "move forward" with the project.

EDDC finally signed off the deal in March, after years of planning and deliberation.

Its current land at Knowle, in Sidmouth, looks set to be sold off, with the council offices relocated to Honiton's Heathpark estate by May 2017.

EDDC leader Paul Diviani said last week: "We have already consulted with our staff, but we are happy to debate the relocation in further detail at the request of councillors who have been elected on this single issue, which was part of their manifesto commitment."

From the editor's chair Ruffling Tory feathers...

EAST Devon's ebullient leader Paul Diviani, my spies at Knowle informed me this week, has been boasting about how the "bias" local press got it wrong in the local elections.

For "bias local press" read *Pulman's View* for none of the other local papers rarely if ever offer an opinion on local government affairs in East Devon.

That being the case, Cllr Diviani is wide of the mark. At no time did we predict the result of the election; all we did was to draw attention to increasing dissatisfaction with local government among the electorate which I firmly put down to the arrogance of some of the council's senior members.

And whilst the Tories were returned with a comfortable majority, as expected and indeed stated in this column, a total of 16 seats went to independents, the biggest number since local government was reorganised in 1974.

I have been labelled by some of the ruling

Conservatives as a left wing agitator because I had the temerity to welcome a challenge to the Tories. Well, it may interest them to know that I have voted Tory all my life (no one who reads this column will be too shocked to read that) – but I live across the border in West Dorset.

All the Tory big hitters were returned in East Devon but they will find it less comfortable to rule supreme with more independents sitting alongside them.

We've also taken some stick from East Devon constituent Conservatives who remain with a healthy majority because we were allegedly rooting for Independent Claire Wright.

At no time did we advise our readers to vote for Claire but we did hail her success in polling 13,000-plus votes with no party machinery behind her as a terrific result. And we stand by that. It was, of course, the best performance by far in the country by a true independent.

OTTERY ST MARY West Hill campaigners to hand over petition

A PETITION backed by almost 400 West Hill residents will be presented to council chiefs tomorrow, as campaigners step up their bid to break away from Ottery St Mary.

Members of the West Hill Parish Council Campaign are preparing to gather at Knowle on Wednesday (June 3rd), where they will formally make their case for independence.

Campaigners are due to present a paper to East Devon District Council's chief executive Mark Williams, supported by a petition containing the signatures of 392 village residents.

The petition is set to trigger a community governance review, during which time local people will be asked whether a new parish council for West Hill should be formed.

If district bosses decide to back the bid, the first West Hill council elections could take place in less than two years' time (May 2017).

COLYTON Residents complain of skatepark noise

A COLYTON resident has complained of "unbearable" noise from the skatepark at the Peace Memorial Playing Field.

The complaint, read out at a recent meeting of Colyton Parish Council, was the second that the council has received in recent months, having opened the skatepark a year ago.

The resident said that she and her neighbours were not given the opportunity to object or share their views on the skatepark before it was installed, and she now suffered from a constant noise that was becoming "unbearable".

She added that she would welcome all parish councillors to her house to hear the noise for themselves.

Councillor Rodney Turner had taken up this invite and said he was "amazed" to find that the noise seemed even louder from the house than it did when actually stood in the playing field.

Councillor John Hay commented: "A lot of the equipment is not fit for purpose."

SEATON Runner's spectacular recovery

A 73-YEAR-OLD Seaton woman ran a 10K race eight days after being trapped in a car wreck.

Hilary Bradt was driving between Seaton and Lyme Regis on Sunday, May 17th, when her car was hit by another car and propelled up a bank and into a wall before it came to a rest upside down.

She said: "It was pretty dramatic, with ambulance, police et cetera all in attendance – but I was miraculously unhurt, apart from sore ribs from the seat belt and the passers-by were wonderfully helpful and kind."

The car was a write-off, but Hilary's biggest concern was that she could be forced to pull out of a race.

She explained: "I had been entered for the BUPA London 10K race on Bank Holiday Monday for a year. But I ran the 10K and actually felt better at the end than I had all week."

SOUTH SOMERSET Sport England funding to help get Somerset residents active

INACTIVE residents of Chard, Ilminster and Crewkerne are set to benefit from a £334,000 activity boost.

The funding follows a successful lottery bid led by South Somerset District Council (SSDC). The Click into Activity project is one of only 16 projects nationally to receive investment from Sport England's "Get Healthy, Get Active" fund.

The successful bid was the result of a partnership between Somerset Health and Wellbeing Board, University of the West of England in Bristol, Somerset Activity and Sports Partnership, SSDC and the CLICK GP Federation, which covers the area of Chard, Ilminster and Crewkerne.

SSDC healthy lifestyles officer, Charlie Coward, said: "Click into Activity will give local GP surgeries the opportunity to offer healthy lifestyle support to inactive patients. The aim of this project is to address a lack of intensive healthy lifestyle interventions for people who are diagnosed as either diabetic, pre-diabetic or hypertensive."

"It will work by referring identified patients to exercise specialists who will then offer support." These patients will be encouraged to participate in sports sessions which are specifically designed for inactive people with long term health conditions.

SIDMOUTH Box office boom at Manor Pavilion

AN UNEXPECTED boom in ticket sales at Sidmouth's Manor Pavilion Theatre has seen the summer season begin with a bang.

Managers say demand has gone "through the roof" this year, with tickets snapped up in record time.

Customers were queuing round the block when the box office finally opened its doors last week, as theatre fans scrambled to secure a seat at their favourite show.

Within 48 hours of tickets being made available for the summer season, bookings were up by more than 100 per cent on 2013.

One keen customer arrived two hours before the box office doors were opened, and dozens more waited patiently in line to book their tickets.

The boom will come as a timely boost for the Manor Pavilion team as the historic theatre gears up for its highly anticipated summer run.

"This is a totally amazing start to a very exciting season", said theatre manager Graham Whitlock. "The public clearly like the choice of plays."

Councillors call for 'ignorant' library officials to resign

AXMINSTER town councillors have passed a vote of no confidence in the two people leading Devon County Council's (DCC) Library Service - Councillor Roger Croad and head of libraries Ciara Eastell.

The action followed a letter by the former, ruling out increased opening hours at Axminster Library for the time being.

The motion was proposed by town councillor and former Axminster Mayor Jeremy Walden, who told *Pulman's View* his main problem is not necessarily the lack of longer hours, but the "unnecessarily dismissive and ignorant" attitude of the library service chiefs.

As a recent example, Councillor Walden pointed to County Councillor Croad's written reply to Axminster Town Council.

In his opening paragraph, Councillor Croad queried if town clerk Hilary Kirkcaldie wrote on behalf of the town council or as an individual - despite the letter being on headed town council paper, according to Councillor Walden.

Councillor Croad then closed his letter by writing: "I trust this draws our correspondence on this matter to an end."

Councillor Walden totally disagrees, saying there is every reason to keep the discussion about longer opening hours alive.

The wording of the town council's vote of no confidence had not been finalised at the time of going to press, but Councillor Walden said it will be sent to DCC leader John Hart, asking him to ask Councillor Croad and head of libraries Eastell to resign.

Library election

FANTASTIC Mr Fox topped the polls at Axminster Library on election day.

Children were invited to vote for a book from a list of five, and a total of 24 votes were cast.

Fantastic Mr Fox was elected on eight votes ahead of The Enormous Crocodile (6), Charlie and the Chocolate Factory (6), The BFG (3) and Mrs Armitage (1).

Sarah Jones of Axminster Library said: "We tried to make it feel like a real election with ballot papers, a voting booth, little pencils and a ballot box. The children were excited about the election and stayed for the count."

"There was a big cheer when Fantastic Mr Fox was announced the winner. It just shows you are never too young to vote."

As reported last week, the DCC library service has had a fractious relationship with Axminster in the recent past.

Last year Councillor Croad apologised for not having replied to a letter from pressure group Support for Axminster Library, but the relationship deteriorated into a social media war when a member of the pressure group published satirical cartoons featuring Councillor Croad.

The Support for Axminster Library Group chairman Jo Hawkins said: "We too have received rude and dismissive letters from Councillor Croad and Ciara Eastell - and we believe that the town council and the people of Axminster deserve better from the officials whose salaries we pay."

A DCC spokesperson said about the vote of no confidence: "It is difficult to comment on a letter that we've not yet seen. As that's the case, we'll wait to see it before considering a response."

Support for Axminster Library was formed when DCC presented plans to make a string of libraries, including Axminster, second-tier, and volunteer-led facilities without professional librarians as part of a £1.5 million cost-cutting exercise.

The plan was withdrawn and replaced with a project to turn the library service into an independent mutual.

DCC said at the time that it would be business as usual until further notice at libraries not selected for a pilot programme.

Axminster Library is not in the pilot programme, but Support for Axminster Library has continued to work for improvements.

By using DCC's own figures, the pressure group has established that Axminster makes up two per cent of the Devon population, but DCC is only spending 0.8 per cent of its library budget on its facility in Axminster.

DCC has not disputed the pressure group's findings, but has refused to increase opening hours in Axminster. Axminster Library is currently open for 21 hours a week, spread over four days.

business, we do not know how many people will be affected.

"The planned reshaping of the business does not involve the central manufacturing team who make up the bulk of our workforce."

"Axminster Carpets continues to grow and our healthy order books are growing. This is a reflection of the hard work all teams have put in to return this iconic brand to profitability."

Chardstock plans 'summer of love'

CHARDSTOCK'S street fayre team will bring a touch of Woodstock to the village with a summer of love party.

Organisers promise that Chardstock "will be like Woodstock, but without the mud", on Saturday June 6th from 2.30pm at The

George Inn. Graham Vyse of Chardstock Street Fayre Team said: "All are invited to enjoy this charity event

where there will be real ale, local cider, hot food and free live music..

"All proceeds will be donated to Hospiscare and ARC Axminster, in memory of Ray Smith (1943-2015) - rock musician and friend of the street fayre.

"There will be live music from 2-30pm onwards and all performers are giving their time and talent free of charge for this event.

"Performers include East Anglian pop-rock and party sensations Stone Soda, The Window Trees, Jemima Farey, Aaron Samuel, Holly Morwenna, The Muzax and Short Cut.

"So come along, dress like a hippy, re-live your youth (for some), spend lots of money and have a great time.

"There is no charge for admission but donations to these two most worthy local causes would be hugely appreciated."

DEVON County Council has announced its new Chairman for the coming year.

Outgoing Chairman, Councillor George Gribble, handed over to the Council's new Chairman, Councillor Christine Channon, at a meeting of the Full Council on Thursday, 14th May.

Councillor Channon has represented Budleigh Salterton as local member for 22 years, and has served on many of the County Council's Committees.

Christine was Leader of the Conservative Group on the County Council for nine years, and Leader of the Council between 2002-03 and 2004-05 under a 'Rainbo' administration.

Among her many appointments Christine has been Deputy Chairman of the Local Government Association (LGA) Scrutiny Panel, and recently served on the LGA Children and Young People's Board.

She moved to Devon in 1964 to take up an appointment at the Royal Devon and Exeter Hospital, having first trained as a Clinical Biochemist with the Royal Army Medical Corp. She has a degree in Theology and Philosophy, and is a trained teacher.

More recently Christine became licensed as a Lay Reader in the Church of England and is an active member of St Peter's in her home town of Budleigh Salterton. She is also Trustee and the founder member of a youth club in the town, where the club is run by volunteers and qualified youth workers.

Christine said: "It is an enormous privilege to be asked to be Chairman of Devon County Council, and I am extremely proud to accept the honour."

Barnstaple South member, Cllr John Matthews has replaced Cllr Jim Knight as vice chairman.

"He was found safe and well by Coastguards on cliffs at Seaton at around 12.40pm the same day."

Local student bound for Yale

by Anders Larsson

anders@tindlenews.co.uk

■ GOING TO YALE: Matthew Mortimer (left) and head of Sixth Form Rupert Carr

AN AXE Valley Community College student from Tatworth has passed the last hurdle to secure a spell at Yale University, USA.

Year 12 student Matthew Mortimer is one of only 150 applicants (out of 3,700-plus) to win a place on the USA Sutton Trust Programme.

The programme gives "bright, state school students" a taste of life at an American university.

It is delivered in partnership with the US-UK Fulbright Commission, and is centred on a one-week summer school in the US.

Matthew said: "I am extremely happy to have progressed onto the USA Sutton Trust programme.

"I felt confident after my selection weekend at the London School of Economics, but am still shocked that my place has been confirmed.

"I am very excited to spend a week at Ivy League university Yale in New Haven, Connecticut, which is ranked inside the world's top ten.

"My trip commences on August 5th, and I am looking forward to representing my school and the South West, experiencing the culture and education system of a country that I have never had the opportunity to visit.

"In the future I hope I can progress on the programme and receive a scholarship to an American university of my choice."

His head of Sixth Form at the Axminster college, Rupert Carr, said, "We are delighted that Matthew has secured this prestigious place in the face of huge competition.

"He is a fantastic representative of the college and we are sure he will make the most of this opportunity."

Church handbag theft

A CHURCHGOER had a handbag stolen in The Minster Church, Axminster.

The bag was taken at some point between 11am and 11.15am on Tuesday, May 19th, and a police spokesperson said: "The bag had been left on a chair unattended in the church near the back door.

"Would residents please be vigilant and report any suspicious activity or persons in the area promptly to the police.

"Try not to leave any possessions unattended. If you have any information, contact 101 quoting crime number 34434/15."

Ball cancelled – but festival forges ahead

DESPITE a promising start to ticket sales, Axminster Chamber of Commerce has been forced to cancel its 70th anniversary ball, *writes Anders Larsson.*

The 1940s-themed showpiece was planned for Friday, June 26th.

A quarter of the 40 tables of ten were reserved before formal invitations had been sent out, but the take-up rate suddenly slumped.

A chamber spokesperson said: "Ticket sales hadn't reached the point to ensure we would raise funds for local good causes, which was our main objective."

Instead, chamber members

are totally focused on staging Axminster Beer, Music and Cider Festival the following day, Saturday, June 27th.

They expect more than 1,100 people at the showground, and chamber chairman Shane Morgan said: "The beer festival is on course to be another bumper event, raising funds to ensure our tourist information centre stays open and staffed year round. I am delighted with the response so far."

Gates open at 1pm with music starting at 2pm with a huge musical line-up including Elliot Bastin, Reckless Princess, Six Days, Mothers Ruin, Wise Intentions, Live

Wired and Thick as Thieves, all bringing a mixture of musical styles from acoustic to rock.

There will be a great range of Branscombe Vale Beers for the real ale fans, tasty food (supplied by Complete Meats) and a full bar (provided by The Old Inn, Kilmington).

Admission is all day on the gate at the showground on Trafalgar Way, with tickets priced at: adults £10 and children £4 (under 12s free).

There will be no admission to under 18s after 9pm and ID will be required.

Police appeal over two break-ins

A SPORTS centre and a coffee house in Axminster were targeted by burglars.

An attempt to enter Cloakham Lawn Sports Centre was made at some point between 8am and 4.30pm on Saturday, May 16th.

It is understood the attempt was unsuccessful, but someone did break into Sublyme in Milton's Yard off West Street at some point

between 4pm on Saturday 16th and 9.05am on Monday May 18th.

The police report does not say how entry was gained or if anything was stolen.

Anyone with information is asked to call police on 101.

The crime references are CR33924/15 (Cloakham) and CR/34065/15 (Sublyme).

Melanie Brown's HAIR & BEAUTY SALON

Skin Analysis Event set to get Under the Skin of Women and Men in Axminster, Thursday 18th June.

Have you ever wondered how your skin compares to others of your own age or how you might look in a few years time, without some serious intervention? A high tech skin analysis technique is coming to Melanie Brown hair & beauty in Axminster for a one day event that will reveal all that's good and bad about your skin.

A skin analyst from anti-ageing skincare brand Environ is hosting the special event and will be on hand to provide free 45 minute consultations. She uses powerful Visia imaging technology to capture information and assess common problem areas, such as sun damage, brown pigmentation blemishes, capillary damage, wrinkles, scars or imperfections and congested pores.

She will be identifying goals for treatments and offering solutions to overcome nagging complexion concerns and take years off your appearance, without the need to go under the knife. The skin advisor recommends products for use at home, salon treatments as well as dietary and lifestyle advice, which are aimed at giving the individual clearer, more radiant, even toned, smoother and less lined skin.

The machine's camera provides a series of images which reveal the extent of each problem and attributes a 'score'. Clients pay a return visit to the

salon after three months, when improvements are graded by comparing a new set of visuals with the originals.

"There are too many empty promises in the beauty world," says salon owner Melanie Brown. "By using this sophisticated system we can now prove to our clients that using active skincare products and following our advice makes a measurable and visible difference. We can even artificially 'age' your skin to show how you could look in five years without proper skincare."

For more information about the Environ's Skin Analysis Event, call Melanie Brown Hair & Beauty on 01297 35667

Ponies back on Trinity Hill

GRAZING animals return to the heath at Trinity Hill Local Nature Reserve, near Axminster, this summer, *writes Anders Larsson.*

The nature reserve is owned by East Devon District Council (EDDC), which has announced that a small number of Exmoor ponies will be brought onto site at the beginning of June to help restore the wildlife habitat there.

An EDDC spokesperson explained: "Livestock has historically been an essential component of heathland management, selectively grazing the vegetation to create a variety of ecological niches. The ponies will be kept behind electric fencing and grazed across various compartments within the reserve."

"These will be temporarily fenced off from the public, but have been designed so as to not interfere with or obstruct any of the existing paths."

"However, the public is asked to keep dogs under close control during this period to avoid any conflict with the livestock or the ground nesting birds that make Trinity Hill their home during summer." The spokesperson also said that the introduction of conservation grazing to the heathland follows some important management work carried out over the winter. Areas of the heathland were burnt to bring new life and variety to parts of the site. 'Swaling,' as it is traditionally known, has removed the build-up of old vegetation in areas dominated by Purple Moor grass, which is suppressing the

growth of other plant species and reducing the habitat quality for many heathland species. The spokesperson added: "The burning and subsequent grazing of such areas will allow space for a greater diversity of flowering plants to establish and the heather to return, providing the necessary living conditions for many heathland animals. "Summer is the time to go and explore this lovely local nature reserve."

"If you do decide to visit, please could you be our eyes and ears on the ground while the ponies are on site."

"If you see any issues during your visit, such as unsupervised dogs who are being a nuisance to the ponies or wildlife, please contact the Countryside team on 01395 517557 or email nrobinson@eastdevon.gov.uk."

The event was held on Saturday May 2nd and had to be staged indoors because of unstable weather.

But The Reverend John Streeting was very pleased and said: "We are delighted with the number of people who attended."

The photo shows town crier Nick Goodwin at the raffle stall with Eunice Beer and Joan Davies.

Anyone with information that could help investigators is asked to call 101.

The crime reference is 31599/15.

JUNE 10th sees Scott Rowe Solicitors hosting a free evening with Dementia Friends from 5.30-7pm as part of the effort to make Axminster a 'Dementia Friendly Town'.

The opportunity is there for you to learn that dementia is not a natural part of ageing. Whether you are living with the early stages of a dementia or know someone who is living with dementia, you are welcome to join us to learn how to prolong independent living or to ease the fear felt by a dementia sufferer.

Heather Penwarden from Dementia Friends will help all those attending understand that any form of de-

mentia is caused by diseases that can affect anyone at any age, with over 200 types of dementia affecting the world's population indiscriminately. Learn how to keep your memory healthy and how to help those who are already living with dementia to feel safe and secure.

Whilst there is no known cure for any dementia, understanding and education remain the prevalent ways in which to assist those living with a dementia. By making Axminster a Dementia Friendly community, we can focus on improving inclusion and quality of life for people living with dementia. The

Prime Minister's challenge on dementia also includes an ambition to create communities that are working to help people live well with dementia. So let's join forces and make this happen in our community.

Furthermore Scott Rowe will also offer free advice on the best way to ensure that your financial and welfare needs are met should you ever be affected by any form of dementia.

So join us for an informal evening over tea and biscuits at this free event to help your local community. Please telephone Julie on 01297 32345 as soon as possible as spaces are limited.

Picnic marks hat trick of achievements

by Jack Dixon
jack@pemedial.co.uk

A SEATON picnic served three purposes in one go: to open a timeline, to mark a tenth anniversary; to celebrate a designation.

Seaton Town Council's Picnic in the Park was held in Cliff Field Gardens on Saturday, May 23rd.

It was organised to celebrate the designation of Cliff Field Gardens as a field in trust, to

open the geological timeline there and celebrate the tenth birthday of the Seaton Labyrinth (a turf maze).

The timeline consists of a number of plaques, and tells the story of Earth.

It begins with the formation of

our planet 4,600 million years ago and describes significant events in the evolution of life.

Seaton Mayor Tony Woodman, making his first official performance since being elected earlier in that week, welcomed members of the public.

A string of activities and attractions had been laid on to make sure there was something for everyone to enjoy.

Latest 'traffic flow fiasco' is not for the benefit of Seaton residents

I REFER to the recent letters by Mr Stringer and Mrs Pavey of Seaton Down Road regarding the removal of parking and painting of double yellow lines outside 43 Seaton Down Road upwards.

There has certainly been no thought to the safety of existing Seaton residents now that these parking spaces have been removed. Due to the chaos of what has happened, any female or elderly person returning at night has to find parking (if they can) several streets away and then, after parking their vehicle, has to walk back alone in the dark. This, combined with the traffic speed, has made our part of Seaton quite unsafe.

Speeding has always been an issue on Seaton Down Road. Therefore, I can't believe anyone would think that by removing the parking spaces no difference would be made to the speed of vehicles up and down the road. There is definitely a difference to the speed of vehicles, as anyone crossing the road can tell you. It is not just the local people who are breaking the speed limit as Mr Stringer implies, lorries hurtle down the road and could easily lose control towards the bottom end.

Before these changes to our roads, the parking for residents worked out very well and Ryalls Court was not used as a car parking area, only very occasionally. I expect Mr Stringer would be the first to complain if he lived in Ryalls Court. A case of "I'm all right Jack"?

Mrs Pavey has raised many relevant points, amongst which was the advertising of the double yellow lines

being painted. It was in the local paper, but who always looks at that particular section or even receives the paper? We should have had a letter informing us of their intentions as we could have made known our views on the matter.

The five remaining spaces from number 33 upwards are now occupied much of the time by people working in Seaton. I returned to the area just before 5pm one evening and, because the spaces were all occupied, had to park on the yellow lines to unload. During my unloading I noticed that three spaces had become vacant. Clocking off time for three people who work in Seaton!

Reinstating our parking spaces and making Seaton Down Road residents only parking would help enormously with this issue. Why should York Road and Highwell Road have residents only parking but not us? Also, if the cars were parked at an angle, we would be able to fit many more people in, including visitors to our houses. It would also have the advantage of slowing the traffic down before it gets to the bottom of the road as it would become single file for a short stretch and act as a traffic calming measure.

For whose benefit is this latest traffic flow fiasco? Certainly not us! More likely for the tourists that will be going to the new Jurassic Centre or the houses that are now being built next to Tesco.

CATHERINE AGGETT,
Seaton Down Road, Seaton

Seaton's new mayor has big shoes to fill

I WAS surprised and shocked to learn of the appointment of the new Mayor for Seaton, Tony Woodman.

First let me say he has some big shoes to fill and how on earth can he be quoted as saying he is "looking for continuity and stability" after deposing Councillor Gaynor Sedgewick?

I have only lived in Seaton for less than two years and have witnessed the excellent work Councillor Sedgewick has carried out while representing the town without claiming the expenses that went with the post.

Secondly, where was the twelfth member of the town council for the council's extremely important first meet-

ing? Will the council meetings be fully attended in the future?

Thirdly, apart from mentioning the Chine Cafe in his pre-election flyer, can I presume as part of Councillor Woodman's mayoral resume that he is big on getting out there promoting and encouraging businesses in the town?

Fourthly and finally, all Seaton town councillors (friend or foe) should and must think about the needs of many and not the needs of the few when taking important votes!

ERIC S. BOWMAN,
Seaton

We have won the first battle!

WE appear to have won the first battle! As many of you will know since retiring from general practice last year, I have been trying to keep inpatient beds at Axminster Community Hospital.

Last year there were two major setbacks for Axminster in terms of inpatient beds. Firstly, the Devon Clinical Commissioning Group (CCG) proposed consolidating inpatient beds in the East Devon towns on three sites instead of the existing five in order to save money and be more efficient. This involved the proposed closure of beds in Ottery St Mary and Axminster.

Within 48 hours the managing trust, North Devon Health Trust (NDHT) for the five hospitals decided on grounds of safety to temporarily close beds in Axminster and move them to Seaton. These two decisions appeared to be connected but both the CCG and NDHT deny any connection.

NDHT promised us in Axminster that the beds there would reopen as soon as sufficient staff could be found to run it safely. This required more trained nurses than in the past to eradicate trained nurses working without another trained nurse (lone nursing). As before, the trained nurses would continue to be assisted by healthcare assistants.

The Axminster Hospital League of Friends challenged the NDHT on their recruitment process and offered up to £300,000 to assist getting Axminster beds reopened. The NDHT agreed to form a special task group including senior members of their HR and nursing team to work with members of the Axminster Hospital Action Group and the League of Friends.

This has been a highly successful group and recruitment has gone well. We have now recruited sufficient trained nurses to reopen 16 beds at Axminster in July and have 16 beds in Seaton Hospital.

I must take this opportunity to commend the efforts of all concerned, including the members of NDHT who have made this work successful. In my mind this is the first battle - to reopen Axminster Hospital beds safely with sufficient nurses, and we have succeeded.

There is still the CCG to persuade that it would be unwise to consolidate the East Devon beds on three sites. We are confident that following other negotiations we have put forward an alternative proposal which would include beds in all five towns, at least for the time being.

We suggest that such a major decision should require further detailed evaluation to ensure that any decision that is made is fully evidence based, allows for the growth that many of the towns are experiencing, especially Axminster and adheres to the principals of the NHS five-year plan.

We must now await the decision of the CCG but as I said at the beginning, the first battle is won and thanks to the help of literally thousands of local supporters, we have sufficient nurses to reopen Axminster Hospital safely. This is a very real and major achievement for the community.

I know that the Axminster GPs look forward to looking after their patients at Axminster again.

DR JAMES VANN,
Retired Axminster GP

HALFF cooking session are useful and fun

MAY I draw your readers' attention to the services offered by the charity Health and Local Food for Families (HALFF), based in Axminster.

Having recently become a carer, I have taken on the unfamiliar role of cook at home. HALFF offers a free series of demonstrations and courses in cooking for novices such as I. They have been a marvelous help in boosting by skill and confidence.

I am amazed, however, that they are so little patron-

ised. We are lucky to get two, maybe three, people at these events. May I encourage anyone in a similar situation to get in touch with HALFF and join in.

The sessions are not only useful but great fun, as they are held in a very relaxed and friendly atmosphere. I look forward to meeting you at HALFF in South Street.

Women's Institutes ROUND UP

ALL SAINTS

WHEN Sarah Jones (more commonly known as the 'Wig lady') visited All Saints & District WI to give a light hearted talk on wigs, no-one quite knew what to expect.

Sarah explained that as a teenager she had alopecia (complete hair loss). She went to have a look at the wigs offered via the NHS but didn't take them up on their offerings. Instead she found a company in London who made wigs that were affordable and didn't make you look like you were wearing a wig at all.

Some time later bemoaning to a friend about the difficulty most people experienced in finding good wigs and being fitted for them by a friendly knowledgeable person, her friend replied 'well don't moan about it, DO something about it'.

So she did. Sarah contacted the wig company where she had got her own wigs from and asked if they could supply her with a range of wigs for her to sell, and what a range of wigs there now are – so many styles and colours, some with highlights, lowlights, short and long.

She now provides a friendly, knowledgeable service, fitting wigs to suit the individual's needs and lifestyle. On one occasion when visiting a client, who was naturally distressed at suddenly losing her hair, she wailed to Sarah, 'but you don't understand how I feel'. When Sarah replied 'well I wear a wig too', her client replied, 'you can't possibly wear a wig, you drove up in a convertible'. 'Oh yes' Sarah replied, 'you can drive in a convertible very confidently up to 50 miles an hour. If I know I'm going to be driving over fifty miles an hour, then I go really glamorous and tie a silk scarf on. It's great'.

The next meeting of the All Saints & District WI is on Tuesday, 9th June at 7.30pm in All Saints Village Hall where posh paper flowers will be made. Visitors and new members are most welcome.

Colyford Flower Club welcomes Dutch florist

THE May meeting of Colyford and District Flower Club was held on the 5th at Colyford Memorial Hall, when members welcomed speaker Chris Kollen from Totnes.

Chris originated from Holland and, after many years working as an engineer, he decided he wanted a complete change of life and career, so moved to Totnes and, after some training and working a Saturday job in a florist, he opened his own flower shop.

Chris gave a demonstration entitled "Out of the Ordinary". His ideas were based on arrangements that members could make themselves without having to spend a lot of money, so similar flowers were used in each of his six arrangements but

with different containers.

One of Chris' ideas was to use a piece of polystyrene cut into the shape of a cake with a slice cut out, where he placed the wedge-shaped oasis securing it with hair pins. Chris then covered the whole thing with rust-coloured play clay adding ferns around the wedge and orange spray roses, purple clematis and jasmine.

On a summer theme for a barbecue, Chris made a simple arrangement using a couple of small pot plants securing with raffia and placing into oasis. Surrounding that was viburnum and mini gerberas with trails of periwinkle twisted around, and placed into the middle was a small branch of twisted palm and tea bags hanging from it –

most unusual.

Chris made all the flowers and greenery into a beautiful hand-tied bunch of flowers to end his interesting demonstration. A vote of thanks was given by Margaret Lee.

The monthly competition was judged by Chris and the results were announced as follows: Intermediate – 1st Christine Perry, 2nd Carol Hubbard, 3rd Kay White; Advanced – 1st Joan Machnik, 2nd Lindi Richards.

The club was pleased to welcome two visitors to the meeting and all enjoyed tea and cake after the demonstration.

The next meeting is an open meeting with national demonstrator Margaret Fairhurst today (Tuesday) at 2pm in Colyford Memorial Hall.

From South Pacific to Axminster Catenians

ISOBEL Worrall, a parishioner of Sacred Heart and St Andhelm, Sherborne, and ex-pupil of Leweston School, recently attended Axminster's Catenians Ladies Night to describe her experiences during her three-month stay in the Solomon Islands in the South Pacific, partially sponsored by a grant from the Catenian Bursary Trust Fund.

She was responding to an invitation by the local Bishop to teach and assist with liturgy in schools in Auki, the main town on an island called Malatia.

During her stay in Auki, she lived in a Dominican convent with only basic facilities, attended daily mass at 6am and spent her free time enjoying the exotic surroundings of Auki and socialising with the local school staff and children.

Many of the local children had never seen white people before and were overwhelmed by the fact that Isabel should have come so far to help them. Isabel is, however, convinced that she derived more from the experience than they did.

During the evening sufficient funds were added to monies already raised to subscribe to a second Shelter Box costing £590.

Phoenix Club transported to Ancient Rome

"THE Romans, Fact or Fiction" was the subject of a talk by military archaeologist, John Smith, at a recent meeting of the Axminster Phoenix Ladies Club.

Dispelling the myths created by Hollywood, members learnt that their version of a centurion's outfit was totally impractical. The time it took to put on would have resulted in them being overrun by the enemy and the colour red, popularised in films, could not be reproduced at that time and would have turned pink in sunlight if adopted by Roman armies. Legions in pink, surely a step too far!

The centurions' salute is emulated today by the British Army and not the hand-crunching fist on chest as depicted on the screen.

They were paid four times a year with deductions for their equipment, payment to a pension scheme and burial costs.

The Romans came to Britain around 43AD, remaining until 410AD and initially built one-room round houses, facing South East towards sunrise; the dwellings were warm in winter and cool in summer.

Their civilisation was also responsible for the invention of passports, central heating, baths and the introduction of spices, cotton and silk into the country.

The discovery of a bath house in Exeter near the Cathedral reminds us that the Romans were an important part of our history; they traded with local farmers and purchased grain and paid for it with Roman coins which encouraged trade throughout the country.

Our thanks to John Smith for a fascinating account of the past. We look forward to a further talk on Roman Life next year.

During the break members were reminded of the Coffee Morning on Thursday, 10th June in the Church Rooms and the summer outing to Escot and Killerton House on 22nd July. At the June meeting there will be a talk and cake icing demonstration at 2.30 pm URC Hall. Visitors welcome.

Legion ladies given insight into local politics

TOWN councillor Paul Hayward attended a recent meeting of Axminster Royal British Legion Women's Section and gave a most interesting and highly informative talk on local government.

Members learnt how council tax is utilised, how many people are elected for the different wards in the town and Raymonds Hill, and how the local council is responsible for the cemetery, allotments, the Guildhall, noticeboards, benches and some bus stops.

Councillor Hayward commented, as had been demonstrated with the fight to retain the Axminster Hospital inpatient beds and town library, that we all have a voice and a part to play. He also stressed that all his fellow councillors worked hard on behalf of Axminster and its citizens to ensure that the town remained a lovely environment in which to live.

During a question and answers session, members voiced anxiety over the ongoing traffic chaos in the town and expressed their worries that the additional

housing being built, with plans of even more in the area, would exacerbate this problem.

Members felt the recent closure of Stoney Lane for essential work caused unacceptable long delays into the town, and infrastructure needed to be improved to avoid even more traffic chaos and to ensure the Axminster Medical Practice, dental surgeries, schools and sewerage system are not overwhelmed.

Members would like to thank Councillor Hayward for speaking on such short notice.

Members were reminded that their Devon Cream Tea would be held on Friday, July 17th in the Senior Citizens Centre.

They would also like to thank all those who attended the VE Day Service at the memorial on Minister Green on May 8th led by Legion's chaplain, the Reverend Geoffrey Walsh, and organised by Councillor Mervyn Symes. Details of the VJ commemoration in August to be announced at a later date.

Just Things

WE have just celebrated our third year of trading as the only exclusively fair trade shop in the fair trade town of Ilminster. We try to keep our stock interesting by sourcing new gift items throughout the year. One of our new suppliers is Chifundo – a group of women in Malawi who design and make fabric items such as bags, room tidies and necklaces.

We have added to our range of colourful recycled aluminium bowls and dishes from Namaste, which are food safe and are proving to be popular. Another of our newer suppliers is New Overseas Traders from whom we have a range of handmade toiletries. These are made in Wiltshire from fair trade ingredients.

The summer clothes are on the rail and there will soon be more dresses, tops and shirts from both India and Nepal. Of course, we still have the knitted, machine washable, acrylic cardigans from Peru for children up to the age of 8. The bright colours and distinctive designs are much sought after. Popular too are the greetings cards and we now have a new supply of handmade pop-up cards from Vietnam and the attractive wooden toys from Lanka Kade don't stay on the shelves long.

Don't forget your tea, coffee, chocolate and other food items and remember we will always try to source your favourites if we haven't got them in stock. Keep an eye open for the occasional chocolate tastings from our full range of truly divine Divine chocolate!

Robert Stone & Co

Your money matters

WE ALL work hard for our money, and once we have it a little bit of thought could stop the tax man taking away more of it than he is entitled to. Here are a few ideas:

ISA's

For 2015/16 the ISA limit increased to £15,240 for shares and/or cash. The income and growth in all types of ISA is tax free. If you have savings such as a bank account where tax is being deducted from the interest, consider transferring this into an ISA.

Letting property

If you let out a furnished spare room in your own home to earn a bit of extra cash, don't forget that the first £4250 of rent can be received tax-free.

If you have a property that you bought to let out, don't forget that you can get tax relief on the interest on a mortgage associated with the purchase.

Inheritance Tax

If your estate is worth less than £325,000 when you die, no inheritance tax (IHT) is payable. This can increase to £650,000 if you are married or in a civil partnership. If your estate is worth more than this, there is a 40% IHT bill on the extra. The simplest way of not leaving your executors with a tax headache is to give some of your assets away (having first made sure that you can afford this). The calculations can get complicated, so it is worth getting advice on this.

Tax Credits

If you are on the borderline of qualifying for Child Tax Credit or Working Tax Credit, remember that your claim cannot be backdated more than three months. If you can't work out your income straight away, it's important to make a provisional claim, even if your assessment is Nil. When you know your actual income figures, your claim will be backdated to the time you made your provisional claim.

Val Davis Traditional Acupuncture

Acupuncture can improve and maintain health and energy and enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other niggling problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management,

and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupunc-

turist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience. So, why not give me a ring and see if I can help.

Lindy Parry Podiatrist/Chiroprapist

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton on Tuesdays, Wednesdays and Thursdays.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

Roots To Health Modern Herbal Medicine

ROOTS To Health is a local complementary consultancy, advice and prescription practice run by qualified medical herbalist Jayne Palmer.

Herbal medicine, or Phytotherapy, is a science in its own right, based on modern scientific research. It's the world's oldest and most widely-used form of medicine and uses plant extracts to treat common health complaints such as raised blood pressure, headaches, stress and indigestion.

Jayne has a BSc in Phytotherapy. She spent many years working in local health food stores as a herbal advisor, then decided to work within a conventional medical role as healthcare assistant at Honiton Surgery, in order to gain the benefits of both fields of medicine.

Last year, she decided to set up her own clinic, which she now offers at the Health and Wellbeing Centre in Axminster on Mondays and at the Chiropractic Health Centre in Honiton on Saturdays.

Jayne explains: "Herbs can be used to treat the body in many different ways and, combined properly, will work effectively as medication for a large range of diseases. We are all unique and will respond to herbs differently. As a herbalist, I'm trained in the same diagnostic skills as orthodox doctors and choose herbs specifically for each individual. I search for, and treat, the underlying cause of the problem, rather than just the symptom, to restore the body's balance and activate its own healing powers."

"I believe that conservation is vitally important and use organically-grown plants wherever possible. Similarly, I try and source locally-grown plants to treat local ailments and actively promote sustainable prescribing of herbal medicines."

Initial consultations with Jayne last 60 to 90 minutes, during which you will be given a treatment plan including tailor-made prescriptions. These could include tinctures, creams or lotions, ointments, oils and infusions.

For more information see www.rootstohealth.co.uk or contact Jayne on 07984 227035.

Farce on delivery from Axminster Drama Club

A RUNAWAY corpse, a psychiatrist, an undertaker, DSS inspectors, all sorts of lodgers, an out of control washing machine and maybe a little too much sherry. Just some of the shenanigans Axminster Drama Club will be contending with when, director Leigh Conley, puts on Michael Cooney's, hilarious and riotous farce, 'Cash on Delivery', running from 18th – 20th of June. Eric Swan (aided by his Uncle George and unbeknown to his wife, Linda) has pocketed thousands of pounds through fraudulent DSS claims. When Norman Bassett (the lodger) opens the door to Mr Jenkins, the DSS Inspector, deceptive mayhem follows. Can Eric keep up the charade, whilst keeping his loving wife in the dark; will Uncle George and Norman help him cover his tracks? Or will his whole world fall apart in front of his very eyes?

Brilliantly written, laced with both verbal and visual gags, Axminster Drama Club has assembled a great cast of local talent in, Simon Hurst, Tracey Dare, Mike Spellar, Eileen Stuart, Ian Craig, Caroline Markham, Carol Shute, Tim Leat, Grant Jones & Marcus Wood. This promises to be a fun packed night of laughter, shocks and a few surprises, that'll have you rolling in the aisles.

Tickets (£8 in advance, £10 on the door) are available from The Archway Bookshop in Church Street, Axminster. Telephone after hours: 01404 831089

Drama unfolds as the Rebels return

DEVON'S 'most rebellious town' will host a Living History Day to commemorate those events some 330 years ago when more than 100 men from Colyton took part in the famous Monmouth Rebellion of 1685.

The Taunton Garrison, as the King's Militia, will be the highlight of the day and will appear in period costume. The exciting full day's programme will begin with the Colyton Town Crier opening the craft and country market at 10.30am, followed by Rebel Rousing and proclamations by the King's Militia. Colyton Market Place and the grounds of St Andrew's Church will be the scene for pike & musket drill, flag flourishing, music, dancing and entertainment.

As well as the fun and excitement of the Taunton Garrison occupying the town, there will also be a living history camp which will provide an authentic experience of a soldier's life in 1685. Groups of costumed rebels will act out street scenes, with the afternoon's event's culminating in the capture and sentencing of those rebels. Stall holders and local traders will be in costume and there will be a Drum Head Service in St Andrew's to commemorate the historical event.

Mr Colin Haynes, an acknowledged expert on Colyton's part in the Monmouth Rebellion has uncovered many of the individual stories of the men and families involved in the events of 1685. Mr Haynes has published a book: "The Most Rebellious Town in Devon", copies are available from the Colyton Heritage Centre and The Little Shop.

In Colin's words: "On May 24th, 1685, the Duke of Monmouth set off from Holland, where he had been exiled. His mission was to claim the throne from his Catholic uncle, James II, crowned just four months earlier against the wishes of many Englishmen."

"At dusk on June 11th, the Duke and 83 of his closest supporters landed at Lyme Regis. Support for his cause was strong and his ranks swelled quickly."

"Without doubt, Colyton became one of the main areas of dissent in East Devon. Such was the deep-seated strength of feeling, 105 Colyton men chose to join the thousands who were to follow the Protestant Duke of Monmouth and risk everything. "Among those taking emotional farewells, were shoemaker Joseph Speed, carpenter James Pyes, tailor John Savage, tanner Nicholas Hoare and doctor Nicholas Thompson - all later to be hanged."

"The youngest was John Abraham, aged just 14 and only just married!"

"The Colyton men were among the thousands to be routed at the infamous Battle of Sedgemoor in June of 1685. In the days and weeks after the rebellion was put down, 71 men from Colyton faced the notorious Judge Jeffreys, who tried more than 100 rebels in a single day."

Of those from Colyton, 22 men were sentenced to transportation to the West Indies where they were put into slavery. And 14 Colyton rebels were hanged, including two who were publicly hanged, drawn

and quartered in the town.

Fortunately, none of the more blood thirsty events of 1685 will feature in the fun and games during the re-enactment of the rebellion.

Promote Colyton Group, with the help of local organisations, has worked to put on this community event for all to enjoy.

The Event is Free. Ample Car Parking £3 per car to include Souvenir Programme.

MAY got off to a great start with the visit on Saturday 9th of the Irish singer/songwriter, Kieran Goss.

The audience was charmed both by the quality of the songs and the sincerity of their presentation. In the second half, Kieran was joined on stage by his wife, Annie Kinsella, whose wonderfully clear voice meant that many of the songs were taken into a totally new dimension. A really great gig!

On Tuesday 12th May, Bristol Old Vic Theatre School made their annual visit to perform their latest production - 'The Beaux' Stratagem', by George Farquhar - to a packed house. This was satire at its very best and made fantastic entertainment. The BOVTS's visit to The David Hall each May has become a 'Not to be missed' event for many.

Musically, the month came to an end with the first-ever visit by the Teesside trio, The Young'uns. A few weeks ago they won the Best Group category at the BBC Radio 2 Folk Awards. Our really large audience now knows why! This was an absolutely brilliant performance. The Young'uns' bold vocals, gripping storylines and innate musicality had everyone wanting more. I will get them back to The Hall and when I do, early booking will be essential. What a great way to close the month!

JUNE will get off to a very special musical start with the long-overdue return of the World Music group, Baka Beyond, on Saturday 6th. They have devised a multicultural, dynamic, live stage show with members from France, Africa and Great Britain and is a band like no other. Support this gig and I know you will not be disappointed!

The month continues with further winners of a BBC Radio 2 Folk Award - the multi-talented duo Greg Russell and Ciaran Algar, who took the Horizon Award in 2014. Making their first visit to The David Hall, they are again musicians and vocalists who really know how to impress an audience. When I first saw them perform I found the experience humbling. How can people this young be that good? Total quality! Yet another gig not to be missed!

The final big musical date of the month is Saturday 20th when the 4th Petherton Folk Fest takes place. This event is free and starts at 10am with a procession of Mor-

ris 'sides' into Market Square and concludes in the evening with a performance in The Brewer's Arms pub by the Somerset-based Folk band, Stampita.

All through the day there will be something for everyone with a variety of dance and live music in four venues - and so much more. We shall have plenty of craft and food stalls and this year's programme offers even more for the kids - including a performance by The Angel Heart Theatre Company at 3pm in The Blake Hall. Please come to South Petherton on 20th June and join in the fun. Here's hoping for a dry day!

Finally, I should mention that The David Hall's brand-new July-to-November printed programme is now available. Copies are free and have been widely distributed - or, check the details on our website: www.thedavidhall.org.uk. Another six months of top quality events is guaranteed!

Happy watching and listening!
Pete Wheeler, Petherton Arts Trust

VIEW FROM the beehive

MAY may be over but the Beehive and its team of dedicated Volunteers are still reeling from the sheer number of events, activities and room bookings it is dealing with, all exciting stuff and a perfect example of how much a vibrant community centre is needed for Honiton.

There has been a mad mix of really diverse shows, catering for all tastes and it has been particularly rewarding to hear all of the lovely comments after each one. Honiton Festival have had three very different events here; a fabulous evening with the charming 4 Girls & 4 Harps, A fabulous Sax Quartet and culminating with The European Philharmonic Chamber Ensemble, we look forward to welcoming Honiton Festival back for a couple of concerts next spring.

We had our first contemporary Dance show 'The House' from Norwegian company Panta Rei, an absolutely stunning production which was very warmly received by our audience. The company loved the venue and the appreciative audience, and we hope for a return visit in November with their new show.

Another first was 'Johnny Cash Revisited'; a real hit, a very polished, convincing performance with an extremely tight backing band.

Looking ahead we have some terrific events lined up alongside all of our regular ones and our cinema evenings. Next weekend there is a fabulous trio of Opera singers coming to entertain everyone with popular duets, trios and arias along with classic songs from the shows, whilst you are served a delicious Italian Supper, all for just £20! Dress up and book up!

Exeter University Drama dept. are showcasing three great, graduate shows here, Squiffy cabaret, a physical theatre piece and a drama. There are some wonderful movies coming up, A Little Chaos' this Friday, 'Suite Française' Friday 12th and 'Far From The Madding Crowd' on Friday, June 26th with 'Second Best Exotic Marigold Hotel' on Friday, July 3rd.

We are tremendously excited to be having the brilliant Teeside trio, 'The Young Uns', performing with their mad banter and delectable acappella harmonies here on Friday, June 19th. They are packing out venues countrywide and have just won 'Best Group' at the 2015 BBC Radio 2 Folk Awards, have also been named 'Band of the Year' at the FATEA awards and 'Best Live Act' at the Spiral Earth Awards for 2015. I'd advise you to book quickly for these boys! See you at The Beehive soon.

Blues guitar wonderkid comes to Square and Compass, and Crohn's won't stop him

AT 9AM ONE recent morning, Laurence Jones was in a hospital bed in Gloucester having his monthly, two-hour treatment for Crohn's disease. 12 hours later, he was on stage in London, thrilling his audience as the emerging whizz-kid of the blues guitar. 23-year-old Jones was diagnosed

four years ago with the chronic, long-term condition which causes inflammation of the digestive system. There is no cure for Crohn's, but the young musician is inspirational proof that it doesn't have to ruin your life. The crowd marvelling at his guitar mastery that night — ranging from blues diehards to females of his age admiring more than just his musicianship — would never have known of his affliction at all. Laurence will be playing at the Leadbelly Festival at the Albert Hall, London alongside the likes of Jools Holland, Van Morrison, Eric Burdon and many more. Before that he's at the Square & Compass near Ilminster.

The young gunslinger of the blues has sensationally signed a deal with 'Ruf Records' with his debut album for the label — 'What's It Gonna Be' — recorded at the Legendary Docks Studio in Louisiana where artists such as B.B. King and Derek Trucks have recorded.

Laurence Jones and his band play at The Barn at Square and Compass, Windmill Hill, near Ilminster on Sunday, June 7th.

What's Happening in June at Ilminster Arts Centre

IT'S ANYONE'S guess what the weather is likely to do this month, but what we can say is that there will be a distinctly Mediterranean feel about the Arts Centre on Saturday 20th. This date — put it in your diary quick! — sees the return of our hugely popular Mediterranean Meze, Musings & Music evening, which features a delicious 3 course dinner, and a variety of Mediterranean-themed entertainments, including flamenco performed by Taunton based dancer Aneta Skut. The evening certainly puts the 'fun' into fundraiser, with proceeds helping to support the Arts Centre. Book your place on 01460 54973.

In the gallery we have two exhibitions, Window on the World (June 1-13), a group exhibition by members of the South Somerset Embroiderers' Guild. Superb needlecraft combines with innovative techniques and materials to make this a show for anyone with an interest in stitching and craft. Following on from this we are thrilled to be hosting the first art exhibition by Greenfylde Church of England First School. Greenfylde Art Alive (June 15-27) presents the culmination of a 'year of art' at the school and promises to be packed with creativity.

And talking of creativity, we have some exciting new workshops in June. On 4th learn how to transform a humble flooring material into stunning Lino Cut Prints with tutor Rita Yates, while on 11th Emma Trott will be leading a Mini Fascinator workshop. Ideal if you've got a wedding coming up, or perhaps are planning a day out at the races — you will definitely not see anyone else wearing the same headgear if you attend this workshop! On June 25th we are running a really practical workshop — Bags of Fun, with Katherine Chambers, will reveal the secrets of how to make a stylish and beautifully finished shoulder bag.

June brings a rich musical harvest, starting on Friday 5th with Alexander Ullman, presented by Concerts in the West. Alexander is an award-winning pianist whose entrancing programme includes Bach, Beethoven, Debussy, Chopin and Rachmani-

with Abigail Willis

nov. On 12 June we welcome Robert Fowler and Dominic Ashworth, who have both played to great acclaim at the Arts Centre before; this time they return with the inimitable Craig Milverton to present an unashamedly en-

joyable evening of 'old school' mainstream jazz. The Jazz Jammers return on 19 June to perform a free gig, showcasing some of the music they love to play. Another great night out beckons on Friday 26, when we host the Vasilis Xenopoulos Quintet. This classic jazz line-up of tenor sax, trumpet, guitar and Hammond organ will treat us to an evening of uplifting 60s nostalgia, along the lines of Jimmy Smith and his 'Walk on the wild side'. Book soon to avoid disappointment!

Open Day at Lower Bruckland Nature Reserve

LOWER Bruckland Nature Reserve is an area of natural beauty situated just off the A3052 near Boshill Cross, Musbury, near Axminster, Seaton and Lyme Regis, on the border of East Devon and Dorset. It commands striking views over the beautiful Axe Valley. Its accessibility, and the shelter afforded by the brimming hedgerows around also ensures that time spent on the grounds will be in peaceful and pleasant surroundings, making the site ideal for artists and photographers, walkers, and people with an interest in nature and wildlife.

There are also a number of landscaped lakes, which at the same time are an important home to a plethora of species, all varied in size and aspect and quite distinct owing to the flowing, interesting contours of the land. The lakeside cafe serves morning coffee and afternoon teas.

We specialise in cream teas and locally made ice creams - perfect for those pleasant spring days.

Lower Bruckland Nature Reserve will hold an Open Day on Sunday, June 7th. Entry will be free to the Nature Reserve and Wild Gardens.

Opening times may vary in very wet weather - to check please call Jo on 07596 715203.

SPOTLIGHT

SPOTLIGHT ON MY SERVICE

Jim Rose Qualified Window Service Engineer

My name is Jim Rose and I am a fully qualified window and door service engineer, repairing double glazed windows and doors in the Exeter and East Devon area for over 30 years. before establishing my own repair business 20 years ago I worked for national companies Anglian and Europlas where I gained vast experience in many areas of my trade and excellent customer care skills.

I specialise in Misty double glazed sealed unit replacement, this is when it looks like there is condensation between the glass, all my replacement units are manufactured locally and carry a 5 year guarantee. I measure and fit all my own units which helps to keep costs competitive.

If your windows and doors are draughty, leaking or not closing correctly there are things that can be done to resolve these problems, sometimes it is just a simple adjustment or maybe new hinges or closing mechanism, no matter how old they are there is normally a solution many parts are still available.

I offer free quotations with no call out charge and all my repair work carries a guarantee.

**I can be contacted on
07779 178800 or
01404 45749.**

Familiar name, cheeky looks and generous equipment

VIVA joins Vauxhall's growing small-car family, which already includes ADAM and Corsa, but is clearly defined from these models by its value, functionality, range and dimensions.

VIVA will appeal to customers looking for value for money, but who are not prepared to compromise on quality. And unlike many of its rivals, VIVA can accommodate up to five people and has the convenience of five doors.

With a 90:10 retail/fleet split, sales are predicted to be heavily weighted towards private buyers. With this in mind, VIVA will be available on highly-competitive personal contract purchase (PCP) plans for retail customers.

Competing in the A-segment, VIVA's rivals include the Hyundai i10, Volkswagen Up, Toyota Aygo, Peugeot 108 and Citroen C1.

"Short, crisp and full of character, Vauxhall's new entry-level model is a proper small car and will hold great appeal in this rapidly growing sector," said Tim Tozer, Vauxhall's Chairman and Managing Director.

DESIGN

With a name that pays homage to Vauxhall's original Viva made from 1963 to 1979, the all-new VIVA shares the original's philosophy of clean lines, durability and practicality. It is designed for modern, everyday life and at 3.68 metres long is practical and spacious providing more than enough room for up to five people.

VIVA is the latest model in the range to display Vauxhall's sculptured, precise design phi-

losophy. Three strong feature lines swoop down the sides with the signature 'blade', seen previously on Insignia and GTC amongst others, slicing through the doors. The two others run through the front and rear door handles. The VIVA's front end features a distinctive winged chrome bar that presents the Griffin badge.

Large headlights and taillights add to the vibrant appearance, creating an overall design that shows exceptional attention to detail for a vehicle in this class.

VIVA is available in ten exterior paint colours

with a variety of 15- to 16-inch wheels.

POWERTRAIN & CHASSIS

After first appearing in the ADAM ROCKS AIR and subsequently the New Corsa and ADAM, VIVA is the latest Vauxhall to feature the new 1.0-litre three-cylinder ECOTEC engine.

Specially-developed for VIVA and achieving up to 65.7mpg combined with CO2 emissions as low as 99g/km, this 75PS powertrain is smooth, punchy and efficient, and is mated to a slick five-speed transmission.

The New BMW 6 Series Range

THROUGH three generations, the BMW 6 Series has represented a vehicle that offers the highest standard of handling, comfort, technology all wrapped in a elegant and timeless design. This formula has proved such a winning combination that for 2015 BMW's engineers and design team have only had to make subtle revisions to the three models in the range for a greater all round package.

The new BMW 6 Series models benefit from external styling revisions which imbue them with an even more purposeful and more powerful stance. At the same time the interiors take on a more sportingly luxurious ambience thanks to new trim materials, centre console surfaces and lighting, and there is a more extensive range of standard and personalisation features. The BMW ConnectedDrive navigation and infotainment package is fitted to every model, while Concierge Services accessed through an embedded SIM card allow drivers to set up a bespoke supply of information and connected-car services.

All petrol models now have a sports exhaust system with a switchable valve which adds a more intense timbre to the engine soundtrack, while aerodynamic improvements along with the extensive package of BMW EfficientDynamics technologies mean the six-cylinder models – petrol and diesel – are even more fuel-efficient than before. Through features such as Dynamic Damper Control, Active Drive and Integral Active

Steering, owners are now able to create a made-to-measure driving experience, while the latest BMW Head-Up Display and Driving Assistant Plus with Active Cruise Control minimise distractions and supplement the driver's reactions to enhance safety.

Sportier edge goes hand-in-hand with efficiency improvements

The new 6 Series range will again consist of three distinctly individual takes on a common theme – the sportily stylish classic Coupé, the exclusive all-seasons Convertible and the elegant longer-wheelbase four-door Gran Coupé. Almost 80,000 versions of the

outgoing range have been sold globally in three years with the Gran Coupé now claiming almost half of 6 Series sales.

All three body styles are available with a choice of highly efficient TwinPower Turbo in-line six-cylinder and V8 engines featuring the full gamut of BMW EfficientDynamics technologies to save fuel and reduce emissions. All engines meet EU6 emissions standards and drive through an eight-speed automatic transmission which combines long ratios for ultra-efficient motorway cruising with fast-shifting capabilities that complement the vivacious character of the engines.

How to avoid a rage against the machine

AS A driver, experiencing someone else's road rage is something that scares many. With the correct frame of mind and a bit of planning, you can easily avoid this unpleasant situation from ever happening to you.

In this week's driving tips IAM head of driving standards Peter Rodger talks about how to avoid becoming a road rage victim, and what to do if it does escalate.

The first point is that with any conflict between two parties, both are likely to have played a part. So try to take yourself away from the problem – let the other driver go on ahead. You might feel wronged, but letting the other party go will make no difference to the rest of your day.

If someone is being confrontational or aggressive, don't make eye contact and don't react visibly. And in your own

mind, try to think about a different subject as quick as you can, so that the incident doesn't affect you afterwards.

If the conflict is more serious and other processes aren't working; call the police, especially if you feel there is a threat or possibility of violence against you.

As mentioned earlier, a sure way of remaining calm in this situation is to put this incident in the context of your day. How big a part is this compared to your other activities?

You might feel frustrated, but letting it go is the best course of action.

If the other party approaches you in your car, can you drive away safely? If you can, consider doing so. But don't rush off and drive like the getaway driver in a film, or drive off if you think the other driver is going to chase you.

If you or better, your passengers, can film any behaviour on your mobile phone it will help in terms of evidence, including the registration number of the other vehicle involved. Don't open your door, don't open your windows fully and don't start or get provoked into an argument.

If you were at fault, admit it and apologise. It may be enough to diffuse the situation quickly. And do not do anything that can be interpreted as retaliation. Even if you weren't at fault is the argument really worth it?

Hopefully by now the matter is over and you are driving away. Do acknowledge that this incident will have affected your behaviour. If you feel upset or emotional pull over and get some fresh air or walk around if you need to before resuming your journey.

Again find some distraction, like listening to the radio – move your mind deliberately onto something else – deliberately driving well would be a good example – but don't dwell on the incident.

Rose Motors celebrate 6 months in business with a special offer

LYME Regis based Used Car retailer, Rose Motors, celebrate 6 months in business this week.

The proprietor, Philip Meyer, is quickly establishing an enviable reputation for great customer service, good value and, above all else, trustworthiness.

"When I switch on my computer in the morning and find a review of the business it really reinforces to me that my business ideals are serving me and my customers very well. For a small business like mine to average one review per month is amazing. To have them all 5 stars is breathtaking," said Philip.

From day 1, Rose Motors have aimed to set themselves apart from their competitors by offering a 12 month warranty on every car younger than 10 years/100k miles old.

"Buying a Used Car is a fairly daunting experience for a lot of people, with reliability being a major factor. By offering a 12 month warranty, hopefully this gives people a little bit of peace of mind," Philip added.

To celebrate 6 months in Business, Rose Motors are offering £200 off the screen price of any car bought this week. Offer expires this Sunday, 7th June.

See their main advert in the Motoring section or call Philip on 01297 444477.

Local sport round-up

Another great Honiton opening stand

Honiton CC 1st XI v Uppottery CC 1st XI
AFTER winning the toss Honiton elected to bowl hoping to restrict local rivals Uppottery with possible rain later in the day.

Things started well Honiton with Kev Kelly removing the openers and in tandem with tight bowling from Ben Kidson and Harry Wright (3-47) kept Uppottery to 48-3 at drinks.

The visitors accelerated through their innings held together with and excellent 80 from James Mitcham. Uppottery finished on 190-9.

After an excellent start Honiton had hoped to be chasing a lower total but with the forecast improving and good pitch they felt the total was achievable.

After an early drop catch Honiton's openers put on 120, Kev Kelly falling for 49 shortly followed by Brian Cann (56).

Fear of another batting collapse like the weeks before failed to materialise with Pullin (22) and Matravers (29) finishing the job.

Skipping Ingram said: "It's great to get another win under our belts. Things started well for us but we had a sloppy ten overs in the field and we feared that might cost us."

"It was great to have Kevin Slynne behind the stumps today after a two year absence, the pressure he creates by standing up to all the bowling is great for the team."

"We had another great opening stand from Kev and Brian, was great that Pete and Adrian were able to continue from where they left off to win with eight overs to spare."

Honiton 2nd XI vs Thorverton 3rd XI
HONITON looked to make it two wins in a row, and having lost the toss were put into bat. Openers were Pete Beighton (16) and Jake Smith (67).

When Beighton fell Andy Canniford entered and blasted his way to 38; once he was out skipper Andrew Lapping (59) carried on where Canniford left off and along with Smith the pair pushed the total past 200, and thoughts of declaration were on with 20 overs to go, and rain forecast.

In the hunt for quick runs the visitors suffered a collapse and where eventually out for 231, M Denford taking 6 for 44.

The Thorverton reply was steady to say the least and at drinks had only reached 48 for 2. After drinks Honiton took wickets at regular intervals with Andy Canniford 3 for 32, Richard Hill 2 for 10 and Will Cowley 4 for 37 polishing off the hosts in quick time, all out for 119.

Captain Lapping was glad with the win: "That was as close to perfect performance as you can get."
"Yes, we did have a collapse but that doesn't concern me as it was my instructions to push things on, but we are getting big scores from the top order and then everyone put in a shift in the field to back up our bowlers. That sets the standard for the rest of the season now."

Record breaker Biddick up to 64

WILL Biddick extended his record seasonal tally to 64 with a treble at the recent COTHESTONE meeting.

Bathwick Scanno (Hunt race), A Real Cliche (3-mile Maiden) and Kostaquarta (Mixed Open) provided the champion-elect's three successes.

The former made all in his now customary style for a seven length win. "He's my hunting pet and I'm so pleased to have won the race," beamed delighted local trainer, Teresa Clark.

The well-hunted A Real Cliche – the eight-year-old was out for 40 days last season – cruised home by a distance to provide a popular success for his owner-trainer, West Somerset Vale master, Mike Weir.

The eight-year-old, who had returned from a three year absence to finish third at Flete Park, led at the third last from pacesetter Kilcolman Wizard, who jumped right for much of the contest.

"I bought him for £720 at Ascot in July 2013, but he missed last season after sustaining an overreach on the final day of the hunting season, hence the layoff," said Mike.

Kostaquarta added a Mixed Open race victory to his CV with another bold front-running display. The eight-year-old goes into summer quarters after winning three of his last four races.

The win took trainer Jack Barber onto the 48-winner mark, seven behind his grandfather Richard's best-ever score.

Henock Primary School head teacher Nicky Dunford opened her account – with her first horse – when the Emma Oliver-trained Ernest Speak was left clear by Amber River's final fence fall in the 2m-4f Maiden. "My daughter attends the school and our string goes past every day – that made the connection," explained Emma.

Tim and Irene Sage's Presentandcorrect

recorded his 15th career success under regular rider James King in the Novice Riders' race.

"I saw James out hunting as a 12-year-old, noted him as a keen lad and decided then that I would use him as a jockey one day," said Tim, who has provided four of James' career successes.

Charlotte Budd took time off from her catering business to saddle Restricted winner Golden Squirell.

Patiently ridden by Robert Hawker, Golden Squirell forged clear of his six rivals in the straight and has been placed in five of his eight outings since opening his account at Cotelstone 12 months ago.

The three pony races were won by Finn Muir-head riding Jobanker Morning Mist (138cms Div 1), Hamish Clark with Talponciau Perfect Print (138cms Div 2) and William Cox aboard Two The Manor Born.

Saturday and Sunday 30th and 31st May were set aside for the first rounds of the clubs Championship matches. These were well attended and enjoyed by all, particularly the bacon sandwiches provided by the catering committee.

Next Friday 5th June from 6pm and Saturday morning from 10.00 to 12.30 have been set aside for all comers to try the game of bowls. If you have stood and watched through the railings and wondered just what is going on, take the opportunity to come along and find out exactly what bowls is all about. A great game, suitable for all abilities and ages. Everyone will be welcome and on Friday evening the bar will be open too!

Meanwhile, the A team continues to struggle and lost to Topsham C by 25-43. The winning rink was M Evans, R North and R Smith 16-15.

The ladies defeated Seaton in The Grace Matthews competition winning by 3 rinks to 2. The winning rinks were S Kury (two wood) 15-10, T Crawford (four wood) 21-9 and G Blackmore, D Phillips and R Veitch 24-12. They then lost their match against Topsham in the NBTL by 28-44. There was further disappointment for the ladies when they lost their first round Inter Club match against Plymouth Sir Francis Drake by 26-48.

The Men's handicap competition was

won by Roger Smith who defeated Dave Sanders in the final by 22-5. In the Ladies' handicap competition in a very close contest Di Phillips defeated Glenys North by 21-19.

HONITON with Julie Grant

A VARIETY of matches have been played this week by Honiton bowlers.

The men won their County Trophy (two rinks home, two rinks away) against Seaton 94-67. 3 winning rinks and one drawn, the top rink at home was Dennis Hillyear, Peter Baker, Bill Nicholls and Roger Binmore 29-14, top away rink was Ken Clarke, Tony Tooley, Malcolm Seaborne and Trevor Pipe 15-12.

In the mens Over 60s triples league team A lost to Chagford but Bill Nicholls again gets his name in the frame in the winning rink 16-9 with Bob Mackintosh and Tony Williams.

The ladies played their first game in defence of their 2014 county Interclub title. They beat Shaldon 48-28, top rink Lynda Dommett, Carol Smith, Julie Grant and Shirley Hiscocks 26-10 and go on to play Kings in the next round.

The mixed friendly game of the week resulted in victory against Lyme Regis 94-90, top rink, you've guessed it.

Bill Nicholls skipped with Rita Barwick, David Tooley and Hannah Morfey winning 24-18.

Results of the ladies inter county Johns Trophy show two closely fought games: Gloucester lost to Cornwall 120-127, and Wiltshire lost to Devon 126-129.

OTTERY ST MARY with Mike Smith

OTTERY started the week with a friendly fixture at home to our friends from Ottery Short Mat BC, who are normally used to bowling indoors around a piece of wood half way down the rink, so it was no wonder Ottery BC took the honours, with the best rink of Barbara Lee, Charlie Griffin, Dave Rose and skip Margaret Bright winning 27-5.

Everybody was in good spirits and after the match a splendid buffet was provided, which was much appreciated and enjoyed by all.

In the ladies NBTL Ottery lost on both rinks at home to Crediton but reversed the result away to Heavitree, winning on both rinks, with the best rink of skip Gail

Hawke, Carol Keating and Joan Saunders 18-10. In the LOFTL Ottery were at home to Sidmouth and with Carol Keating, Moyra Griffin and skip Shirley Fewtrell having a fine 26-11 win, ensured they won the match overall. In the men's County Trophy Ottery had a good 3 rinks to 1 win over Sidmouth, John Ward, Steve Hall, Peter Jones and skip John Pethick had the best winning rink 22-10. Though Madeira proved too strong winning 4 rinks to 1 in the 'Top Club' competition. It was a good week for the men in the Over 60's league, the 'A' team taking maximum points at home to Culm Vale 'C', and the 'B' team getting their first win of the season, taking maximum points also at home to Ufculme 'B'. Two big wins from each team, first Terry House, John Pethick and skip Brian Baker of the 'A' team winning 33-6, then Chris Hawke, Clive Martin and skip Tony Bushell from the 'B' team winning 28-7.

Ottery finished the week with a friendly fixture away to Budleigh, and in a closely fought contest Ottery came away the winners 97-88, winning 4 rinks to 2, with Freda Hunt, Fenella Griggs and skip Ray Luscombe winning 19-12.

Back to back wins for Bill

BROADWAY-based rally driver Bill Paynter managed to secure another class victory at the recent TSH Stages Rally. Following a class win last time out in Weston-super-Mare, the team headed down to Cornwall for the tough two-day event which consisted of 85 stage miles over broken concrete.

A clean run for driver Paynter and new co-driver Jamie Ward meant the pair were able to build a healthy class lead of three and a half minutes by the end of the first day.

Day two consisted of another 55 stage miles and the team steadied the pace in order to conserve their lead. Going into the last stage the team held a five minute lead over the nearest class rivals.

The team hit trouble on the final stage when a gearbox mount failed causing the box to drop onto the sump guard with eight miles to go. The crew continued, limping through the stage to try and make it to the finish.

With five miles left the detached gearbox caused a drive-shaft to come out leaving the crew with one wheel drive for the rest of the stage.

Somehow they made it out of the stage and only lost two minutes to their rivals taking the class victory by just over three minutes.

Bill would like to thank Hilka Tools and Hilltop Tyres (Ilminster) for their support as well as his service crew Charlie, Gary, Scott, Paul and Penny for running the car on the weekend.

running honiton

Five in five

BEGINNING on May 24th, The Forces March 5 Ultra-Marathons in 5 Days took place and it was the sixth time the Veterans' Charity had organised the event.

It starts in Ilfracombe and passes through glorious countryside in Exmoor, the Quantock Hills, rural Somerset and much of Salisbury Plain finishing in Bulford, Wiltshire. Honiton Running Club's Stephen Boyes together with his mates at Axe Valley Runners, Steve Reynolds and Geoff Woodward, completed the 137 miles over the 5 days. Stephen was delighted to finish in 6th place in under 25 hours.

Last Saturday 4 Honiton RC members took part in the 10th anniversary running of the Umberne Ug which is a tough multi-terrain 10k race.

The weather was perfect with the forecast being quite specific about raining at 7pm. With the race starting at 6pm, this allowed enough time for most competitors to have returned back to Umberne Village Hall for cakes and a barbeque before the promised rain came albeit an hour late!

James Denne won the race in an all time record of 39 minutes and 1 second. Steve Davey and Richard Harris had a great battle to the finish line with Steve being the ultimate victor to finish 17th in 51:05 with Richard 1 second behind.

Steve won his age category prize much to the dismay of Richard who is in the same category! Howard Bidmead had a great run and thoroughly enjoyed it coming 34th in 54:24.

Judy Davey was the sole Honiton lady finishing 45th in 57:24. There were 91 finishers. Thanks to the landowners, marshals, AVR members and anyone else who helped with organisation but especially Rick and Eleanor Wood. Money raised goes to the upkeep of Umberne Village Hall.

On Sunday, Julie Payne went up to Edinburgh to support her friend and took part in the Edinburgh Half Marathon.

Julie enjoyed racing on the road again and thought it was a great race. She managed the fantastic finishing time of 1 hour 36 minutes.

Thorns in Premier?

By Howard Larcombe

GARY Parsley has been appointed as the new manager of the Thorncombe Football Club first team.

Parsley (38), who took up the position after the club's AGM last week, having been at the helm of the Reserves last season, is no stranger to the role having occupied it several times before.

He takes over a side that earned promotion in second spot behind runaway champions Drimpton in the Perry Street & District League Division Two.

However, league officials have proposed a restructuring of the league that would see its current five divisions reduced to four.

If this were to be voted in by the member clubs at the league AGM on June 11th there is a possibility that Thorncombe may be promoted to the Premier division for the first time in 30 years.

Parsley's predecessor Dan Mather takes over as manager of the club's second-string for the 2015-16 season.

Ambitious Tigers confirm Pears appointment

AS muted in these pages last week Richard Pears has now been officially appointed as the new first team manager at Axminster Town Football Club.

The 38-year-old succeeds the duo of Keith Somers and Pete Knox who stood down in April after a disagreement with the club's committee.

By Howard Larcombe
howard@pemedi.co.uk

Pears certainly brings plenty of managerial success and experience at senior level in the south-west.

He has been involved in management since 2004 with spells at Willand Rovers, Cullompton Rangers and the Lympstone-based Royal Marines.

◆ **NEW BOSS**
Richard Pears

Success in SWP

But his greatest achievement came in a two and half year stint at Exmouth Town when he led the club to Devon Premier Cup success as well as winning the eastern South-West Peninsula League Division One (east) title back in 2011-12. This was followed by a runners-up spot to Plymouth Parkway in the SWP Premier Division.

The club then applied for promotion to the Toolstation Western League but were turned down due to their Southern Road Ground failing to reach the required ground grading.

On the field Pears clocked up 60 appearances in two seasons as a professional with Exeter City before moving into non-league circles with Cullompton, Heavitree United, Clyst Rovers, Mangotsfield, Elmore and three spells with Tiverton Town.

Wembley appearance

Whilst with the Ladymead Club he clocked up 138 appearances scoring 65 goals and proved a decisive 70th minute substitute in the 1999 FA Vase Final in the 1-0 victory over Bedlington Harriers in front 14,000 fans at Wembley stadium.

Pears' appointment is certainly an ambitious move by Tigers' chairman Ray Self as his committee – falling in line with the club's wonderful new Tiger Way Ground – there are certainly exciting times ahead for Ax supporters.
